RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106

The Newport SLSC is rundown and dated. I don't believe we're getting the best use out of the large indoor hall that is usually empty. A renovation would life the space and create more usable areas for all to enjoy.

I also strongly believe that a restaurant/bar/cafe in the iconic Newport SLSC would provide locals with a relaxed, casual place to meet friends for a drink. I'm stunned that all other surf clubs in the area are able to do this, but Newport is not.
