**RE: DA2022/0596 - 29 - 37 Dobroyd Road BALGOWLAH HEIGHTS NSW 2093**

I am writing to request an extension of the time for submissions against this application until the end of June 2022.

I feel that the time allowed to review such a significant development is insufficient and the posting and notification of this application has been mismanaged with notices not visible and no attempt to liaise with the community. I believe the development is totally out of keeping with the area and presents many issues such as suitability of the development, parking, congestions to name a few.

The normal timeframe for an application provides no ability for the community to assess this very unusual development.
