RE: DA2019/1173 - 3 Berith Street WHEELER HEIGHTS NSW 2097

I totally am against this DA for Over 55's in Berith Street. There is already too many of these developments, being 34 Rose Avenue completed with 13 units & 44 Rose Avenue being constructed at present. This new Development will not suit the street scape in Berith Street & there is already too much traffic in the area. I intend to make a further submission before the 22nd November.
