**RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107**

Thank you for the DA notice for the Whale Beach Deli building.

I confirm our support of the amended plans. It is clear that the owners have made many positive changes to the original plans in response to council and community responses. We are excited about the new design which has a wonderful outdoor café space with much safer pedestrian access to whale beach.

We hope this is approved quickly by council.

Best
