Subject: DA Application DA2019/1280 Queens Parade

Dear Council

Please note I refer to the above application and submit my concerns regarding parking in this new application for additional units in the area.

As it is we have parking issues with boats and trailers in the street and patrons from the Newport Arms using Queens Parade.

Complaints have already been issued to council regard the footpath and limited parking for residents due to the Newport Arms and Boats and trailers and left in Queens Parade.

This development will escalate the problems of parking for residents.

Please note our objections.

Thank you

Lisa Butler
