RE: DA2018/1481 - 1 / 0 Veterans Parade NARRABEEN NSW 2101

Dear Sir/Madam,

RE: DA2018/1481 - 1 / 0 Veterans Parade Narrabeen NSW 2101

I object to the erection of a telecommunications facility in the proposed area mainly due to potential health risks. The tower proposed is near an area with a population who would be most at risk of health issues, the elderly (at the RSL War Veterans village), school children (St Rose and Wheelers Heights School) and preschool children (Little Diggers).

As a mother and nearby resident, I request that you please consider the potential impact this could have on the health and welfare of a large population who live/work or go to school/childcare in the area.

Regards
K. Morgan
