RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107

Dear Assessing Officer

I am writing to you regarding the development at 231 Whale Beach Road, Whale Beach. I have reviewed the plans and believe this development is a wonderful proposal that improves the streetscape, resolved the disrepair that the existing building is in and provide an improved retail offer off the main road which will be more connected the the beach.

For many years the residents in the area this area have been concerned about the condition of the building and its contribution to this area.

The plans that are currently proposed I fully support and believe council should provide consent.

Regards, Brett Robinson
