**RE: DA2024/0375 - Abbott Road NORTH CURL CURL NSW 2099**

I want to add my support to this proposal. There are very few places to get some quality food and drinks along Curl Curl Beach. The lack of development is attractive so rather than adding more places, adding hours to the current cafe would be a real win for us. I attend this beach often and as a patrolling member of this beach the extended hours would be very attractive.
