**RE: DA2021/2116 - 145 Old Pittwater Road BROOKVALE NSW 2100**

1. Northern Beaches community needs facilities like the proposed to help our residents stay active, fit and healthy
2. The location at Warringah Mall, will allow for multi-purpose trips to the one centre - huge advantage for busy families
3. Training, rehabilitation and recovery all in one centre - this does not exist on Northern Beaches at present
4. Designed to cater for everyone in our community
5. Accessible services (catering for the disabled and elderly)
