

## **WASTE MANAGEMENT PLAN (Demolition, Construction and on-going)**

### **Outline of Proposal – Proposed Dwelling Alterations and Carport**

Site Address: 201 Garden Street Warriewood

Applicant's name and address: Natalie Richter Planning Pty Ltd

Phone: 0438 828 972

Email: info @natalierichterplanning.com.au

Buildings and other structures currently on the site: Dwelling, paved areas, pathways/driveway, gardens, pool.

#### **Brief Description of Proposal:**

Dwelling and alterations (minor and generally internal) and double carport over existing paved area.

The details provided on this form are the intentions for managing waste relating to this project.

*We are the applicant for the DA. Details of waste management will be determined by the project builder. We therefore suggest Council provides a DA consent condition which requires Waste Management details as part of the approval.*

*Minimal waste will be generated as the proposal does not require substantial demolition or alterations.*

*Waste materials will be removed by contractor at the time of work and can be recycled where possible.*

*Waste from the development can be managed according to Council policy/conditions and Workcover safety standards.*

*On-going waste management can occur according to standard practice (as currently), via bins at the street.*
