RE: DA2019/1478 - 1 Narrabeen Park Parade NORTH NARRABEEN NSW 2101

I am dismayed to read that DA2019/1478 asks for amplified loud music, parties up to 180 people, and various supporting structures which will be or are already on Lake Park Reserve. This and the surrounding area are extremely popular with day trippers, and certainly DOES NOT need a business which would increase the number of visitors who have little respect for a delicate and beautiful part of the northern beaches. This cafe has been successfully operated over the years, without resorting to DJ's, and late closing. I am positive the many tourists who provide income to Council via the Caravan Park will be unhappy about various disruptions to their hope for peace and quiet whilst they holiday on the northern beaches. Please, please, do NOT approve this DA. Too many negatives, no positives at all. From a 52 year rate payer and resident on the Northern Beaches, who loves North Narrabeen as it is.
