RE: Mod2020/0175 - 22 Jubilee Avenue WARRIEWOOD NSW 2102

Courtney & Trevor Ings
88 Warriewood Road, Warriewood NSW 2102

Letter of objection - MOD2020/0175 - 22 Jubilee Ave, Warriewood NSW 2102

I am again writing to you as a concerned resident in regards to the request by Organic Food Markets to alter their trading hours to start at 8am.

As a family on the weekend we have been enjoying our time together riding our bikes in the area. Warriewood Road is a busy road which people feel they can speed along it like it is a race track. As I am sure you are aware, there are parts of the road that do not have any pathway for people to walk or ride their bike on, which is definitely the case near Pittwater RSL. My family and I have felt safe and at ease riding in that area since the markets have been closed. There has been a decrease in traffic and dangerous and hazardous driving behaviour. The decrease in the number of parked cars in the area also means that we feel safe riding our bikes on the curb where there are no pathways.

With what is happening in the world and Covid 19, simple things like being able to safely spend time with your family is so very important.

I strongly object to these markets and the increased issues with parking, traffic and safety to my family.

Regards,
Courtney
