**RE: DA2020/0021 - Pittwater Road COLLAROY NSW 2097**

This is an amazing addition to the Northern Beaches. A much needed upgrade for the 450 Nippers and volunteer life savers who use this facility. It is a credit to the vision of the council here to invest in the future of the community and support the locals who invest time and effort to make our beaches safer, and help build a future generation that loves and respects the ocean.
