RE: DA2019/1207 - 3 Aden Street SEAFORTH NSW 2092

Dear Assessing Officer

Thank you for notifying me of the DA on 3 Aden St. I am the owner of 9 Aden St and have reviewed the DA application of the alterations and additions to 3 Aden St. The alterations and additions appear to retain the current roof level of the property. I have no objections to the current DA application. I would like it reflected on the records that if any changes are made to the roof-line or height of the property at 3 Aden Street, I would make an objection on that basis.

Kind regards
Anna
