RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

We already have party noises coming from that area. Something about the surrounding cliffs forming an amphitheatre effect. The echos bouncing off are very loud, distracting and are contrary to a quiet, enjoyable, peaceful way of life we expect, and are entitled to, from Freshy.

We have lived here for 44 years and have seen huge changes, including a move to gentrify a quiet, little known suburb, that was always a working man's domain. Let's preserve the essence of this, for our current residents and our future grandchildren.

We (family) say let's keep Harbord Hotel, as it is, without all the extra bars & dining & live music (God forbid). We already have a few little bars that fill demand and are unobtrusive and cool, in the Main Street.
