Dear Assessing Officer

I'm concerned that this application will cause more congestion and parking difficulties in the area. Already we are at the limits on the weekends with parking around this location, surely there's another suitable location for this regular event?

We appreciate that sport has a certain place in the community but having this so close to the playing fields will only be harder for people to park. Frustrations are bound to happen.

We already suffer from nighttime sport to close on 10pm most weeknights

Now early morning markets on a Sunday??

Thanks you for considering my opinion.

Kind regards  
Simon Osborn
