RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I would love to see Robertson Road be an architecturally designed area with underground parking, plenty of light in the buildings making good use of the sun & shade. The buildings should be multi functional, maybe that can open up to the street for outdoor dining. Cobble the street, use landscaping to bring in greenery. Make it a fabulous 'go-to' spot for everyone on the northern beaches. Let's show them what we can do!
