**RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093**

I live on serpentine crescent which is a very narrow street with existing traffic, safety and parking issues, these will only be exacerbated by the extra traffic this center will generate.

This proposal should never be allowed to go ahead considering the location. I use the roundabout every day to travel to and from work, the congestion that a childcare center in that location with parents trying to reverse out of the proposed parking on the busy road will be catastrophic for the route.
