

Addendum to DA2021/0431 - 170 McCarrs Creek Road, Church Point - Septic System

The proposed works at 170 McCarrs Creek Road, Church Point will necessitate the replacement of the existing septic tank.

The replacement septic tank is to be an Everhard Industries Model 87001 3,000 litre polymer septic tank. The Certificate of Accreditation is: STCW 033 and Expires on 31 December 2022.

The existing piping and macerator pump will be retained, with the exception of the connection from the new septic tank to this infrastructure. These works will be executed by a licensed plumber in accordance with Australian Standards.
