Hi,

Thank you for the recent letter in regards to the proposed development on Lockwood Avenue Belrose.

I have been living in Belrose for the last 14 years and I welcome the new developments into the area. The old library at this address currently has been a real eye sore and I am looking forward to seeing that area be cleared up.

I approve of the proposed development, I think it will add value to Belrose and also give others an opportunity to live in our wonderful suburb.

Regards
