RE: DA2019/0200 - 130 Old Pittwater Road BROOKVALE NSW 2100

Dear sir,

I strongly object to the proposal as being completely out of step with the character of the escarpment. There is no way the owner of the property ever contemplated such a development and to do so now is opportunistic. Council should maintain the natural landscape in the same way it would maintain a streetscape.

There are also serious environmental issues with the proposal.

Regards
