RE: Mod2014/0117 - 5 Lawrence Street FRESHWATER NSW 2096

I wish to lodge an objection to Mod.2014/0117 - 5 Lawrence Street, Freshwater.

I have read through the developers submission in reference to the above and have noted the "substantial" changes made by this developer to the court-approved DA2007/0856, including a 60% increase in residential density.

I do not believe this can be considered a "modification" to the original DA and strongly believe a new DA should be submitted.

Under this current application, this DA should not be approved.
