RE: DA2024/1091 - 5 / 1 Careel Head Road AVALON BEACH NSW 2107

Dear assessing officer

Avalon has been and always should be a village. This development will take away from the quiet enjoyment residents have enjoyed and also destroy local businesses. A Dan Murphys in this small a suburb is awful and will ruin 5 local cellars businesses. There are many other small businesses in the area that will be destroyed.

This just is not on.

Thank you
