NEWPORT SURF LIFESAVING CLUB | ALTERATIONS & ADDITIONS | LIST OF AMENDMENTS

To whom it may concern,

We confirm the following amendments were made to the architectural documentation at the revision stages noted below;

Current Submission (Revision D)

- Relocation of access shutters from the East to the North wall of the Storage Compound
- Provision of 1x access shutter instead of 3 shutters
- Change of floor level to Storage Compound
- Change in shape / extent of pedestrian path to north of building
- Relocation of high level wall openings to east instead of northern wall
- Definition of brick / masonry unit to create variation and texture to uninterrupted sections of walls
- Inclusion of bench seats along east wall of extension
- Relocation of public showers to east instead of northern wall
- Deletion of arch and column in NW corner of extension
- Change in levels of pedestrian paths around building to suit other changes listed above
- Realignment of Kerb in NW corner
- Realignment of paths and planters to west of existing building and proposed extension
- Bench seats removed in front of existing sections of building on eastern facade (replaced by wave parapet)
- Realignment of promenade to suit wave parapet
- Inclusion of buried ramp and steps to suit amended coastal protection
- Relocation of public bins
- Relocation of bicycle parking

Amendments since S8.2 review (Revision C Submission)

- Ridge height of proposed extension amended.

Yours sincerely,

Adriano Pupilli
