**Subject:** Proposed McDonalds outlet

Re; Mcdonalds outlet in Roseberry Street Manly Vale

objections.

1) TRAFFIC - Apart from all the small speciality shops in Roseberry street, there is already a dangerously heavy traffic load coming and going from all sides, from Aldi, Woolworths and Bunnings entrances and exits on each side of this narrow road.

2) STAFFING - Who will staff it 24 hrs ??

Currently the fast food suppliers employ high school children on low wages  
Are laws in place defining which of the proposed 24 hours children can work?

3) LITTER -. Well..... as we observe most of the litter anywhere in the world is from junk food containers & wrappers.

4) NEEDS - the current shops/supermarkets in Roseberry street serve our community needs ,  
No-one needs a shop selling junk food.
