RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097

Dear Assessing Officer,

The Beach Club Board of Directors would like to add their support for this development.

We feel that this development would add value to our local community and create more value and support for the local area .

Permanent residents would add a lot more value for the struggling local Collaroy businesses and would eradicate the sometimes bad elements that have frequented this old establishment in the past. That have caused some pain for the Beach Club (Including the vandalization of our premises)

Many thanks
Darren Pyecroft
CEO
