RE: DA2019/1426 - 77 Collingwood Street MANLY NSW 2095

Hi,
I'm a member of the Queensie SLSC and the use of the server window for take-away coffees is an excellent idea as it moves the coffee queue from the busy corner of Collingwood and North Steyne to the quieter Cameron Av.

I fully support the use of this window for the take-away coffee service as it increases safety for the public.

Regards
RJ
