TURNING NARRABEEN INTO A CONCRETE JUNGLE

already overcrowded need more green space

no road upgrade try turning in from Pittwater rd coming from mona vale in the afternoon will get at least 4 sets of lights then people coming home from powder works rd traffic is banked back no play areas for kids not even a footpath at end of Narine pde or going into Tatiara kids ride their bikes around there on the road especially the E bikes cars come flying around that corner someone is going to get killed ..
