RE: Mod2017/0106 - 894 Pittwater Road DEE WHY NSW 2099

I object to the planned extended work hours, mon-fri till 8:30 and sat till 6. I live next door to the site and the noise already disrupts our lives. Our balcony is constantly filled with dust so can't use it, the only time we can use it is Sunday and Saturday afternoons. I have a stressful job and I would like to come home to some quiet, not noise until 8:30 pm. I understand that dee why is changing and there will be some discomfort, but please, don't extend the hours that much, we already put up with so much noise. Thank you.
