RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

To Whom It May Concern,

I reject the proposed developments at Harbord Hotel.

The owners have done a good job in refurbishing a sad soul. However, the proposal will amplify all the things we don't want in Freshwater. Keep it as it is! We do not need additional bars and entertainment areas, we do not need courtesy buses bringing in people from the wharf or Manly, and we definitely do not need patrons lining up outside waiting to get in being loud and obnoxious and doing the same when they leave late at night. Increased capacity will only put more strain on our community, the council and police are already struggling.

Please consider your rate payers.

Regards
Marcus
