RE: DA2021/0680 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

Bangaroo street is a busy street at the best of times, congested with through traffic & now parked cars on both sides of the street. The additional stress this proposal would place on the street is unthinkable. The safety impact on our children walking and riding to school is of upmost concern, the additional cars and then those accessing this proposed centre. We are also concerned with the lack of parking around this centre not to mention the noise of the children and the impact of those who work from home.

We do not consent to this application and hold council responsible for any injury or accidents that are sustained should this proposal go ahead.
