RE: DA2024/0044 - 27 Kevin Avenue AVALON BEACH NSW 2107

My concern is the amount of traffic already using Kevin Ave. We have a primary school, a pre school and a church all close together in this area which generates quite a lot of traffic as well as high residential. Also traffic is funnelled into Kevin Ave from other streets simply because it's too dangerous to exit their street and they opt for the safer route with traffic lights at Kevin Ave. Traffic lights at George St would help ever increasing traffic using Kevin Ave. Thank you.
