**RE: DA2023/0718 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Bayview Golf course is in need of major renovations to maintain its status as an accessible premier public golf course in the area.

Technical reports by appropriately qualified persons attest to the importance of proposed renovation works

Works currently being undertaken to mitigate future flooding is well overdue

The improved fairways and greens will raise the standard and attractiveness of this course

I request council approve this proposed development
