RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

Again I find myself writing to you in objection of this proposal. This is a residential address on a busy street. The proposal is unsuitable for this already busy street. The added traffic, parking and egress of the street will be greatly affected by this proposal. The neighbours will also be affected by noise and then subjected to high fences, is this fair? Bangaroo St is a busy street at the best of times, throw in a bus, regular school traffic and then the tradie traffic that use this street as a thoroughfare then this addition is just ludicrous. There is limited parking and the congestion on this street is unneeded and unwarranted. For the final time, please deny this proposal and keep the children who live on this street safe by not adding to more cars and traffic than we already have.
