**RE: DA2019/1190 - 9999 Pittwater Road BROOKVALE NSW 2100**

- Very important to keep Manly Warringah SeaEagles at their spiritual home.
- Brookvale oval is in dire need of an upgrade. This is a great start, will likely lead to further improvements.
- Will help keep the team competitive into the future.
- Will be a fantastic asset for the local community, including other sporting teams and community groups.
- Also very important for those of us who no longer live in the area but maintain our attachment to the area through our support of the club.
