RE: DA2021/1541 - 20 Albert Street FRESHWATER NSW 2096

To whom it may concern,

I feel this restaurant is exactly what the Freshwater Village and community has been lacking for years and is something the community desperately needs.

As a local resident for many years and a real estate agent that services the Freshwater community it is my opinion and the opinion of many in the community that the village lacks good quality restaurants and any type of evening vibe. This is something Manly and other surrounding suburbs have and is something we are missing.

I feel it would be a real shame if this restaurant was to be denied, especially post lock down/pandemic when we need something like this the most.

Kind regards,
Jonathan Morton
