**RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093**

My concerns with the location of this childcare centre are due to the many children that ride and walk down bangaroo Street to get to and from seaforth public school. With limited visibility already on this street it is an accident waiting to happen. I myself have 2 children who walk up and down bangaroo street every day to get to school and the mere thought of having 5 cars reversing out of tiny parking spaces who are on a time crunch, in a low visibility often one lane road absolutely terrifies me. This alone should be enough for anyone to realise its a terrible location.
