**RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094**

Well-planned renewal of valuable community access points and facilities to our harbour is welcome. This proposal will benefit the local Fairlight, Balgowlah and Manly residents, through enhancing our ability to get onto the water in kayaks, paddleboards, and boats. The historic nature of Treharne's Manly Boatshed is very much worth keeping as part of the fabric of the neighbourhood, and this design modernises amenity while maintaining the 'boatshed vibe'. Removal of the slip-rails and associated industrial noise and pollution will enhance the water quality in North harbour.
