SHADOW DIAGRAM CERTIFICATION

Rischmiller Residence

New Dwelling at 13 Acacia Road, Seaforth

I confirm that the submitted Shadow Diagram drawings (DA05) are an accurate indication of the existing shading and shading generated by the proposed development. The diagrams indicate shading from existing and proposed structures at 9am, 12pm and 3pm on the Winter Solstice (June 21st).

These diagrams were prepared using Archicad27 3D modelling software based on survey information provided by Total Surveying Solutions (Ref 211751-1).

Yours faithfully,

Chris Weeding
MPD Architects
