**RE: DA2021/2059 - 90 Alameda Way WARRIEWOOD NSW 2102**

To whom it may concern

We are broadly supportive of the project, just wanted to note that, as per agreed with Daniel and Shae, we'd like to see our privacy preserved by

1. keeping current boundary plants
2. New "6m-tall" trees to be planted on both sides of boundary, where the lateral windows are going to be. We have also discussed an opaque glass for the pantry and some provisional solution for the kitchen window until boundary trees are not high enough.

Thank you very much
