Subject: DA2019/1260. 27-29 North Avalon road, Avalon beach

Hi

I would like to make a submission against the above development at 27-29 North Avalon Road, Avalon. We brought our home in North Avalon in 1987 and we love the area we live in and do not want to see any developments. North Avalon is a wonderful community and it would be devastating for it to be a developed area.
