RE: DA2024/0622 - 292 Condamine Street NORTH MANLY NSW 2100

I am in support this development completely.

In accordance with the DA2022/2084 the development of the proposed new Warringah Golf Club clubhouse was approved. In that DA the Council considered in depth, parking, traffic, flood, noise and environmental impacts and all issues were addressed to Council satisfaction and the DA approved.

This DA (DA2024/0622) is simply looking to gain approval to establish café/restaurant facilities within the approved building.

The clubhouse is designed to be for the wider community and not just golfers or the members.

With the Council adjacent redevelopment of the squash and tennis courts plus the future gymnasium, the golf club development will be an integral part of this high quality precinct.

Approval of this DA will allow the Golf & Community clubhouse to provide meals, coffee, and bar facilities in a comfortable, welcoming atmosphere to all comers, and as such this will be an extremely valuable asset for the Warringah Recreation Centre, Nolans Reserve the Warringah Golf Course and the wider community.

The ground floor Garden Lounge will open out on to a tastefully developed landscape and putting green ideal for parents and children to enjoy family indoor / outdoor dining.

Lastly the new clubhouse will be a destination for the community for many years to come and would be widely used by the broader community.
