

Environmental Health Referral Response - commercial use

Application Number:	DA2023/0849
Proposed Development:	Alterations and additions to a commercial premise
Date:	02/11/2023
To:	Kye Miles
Land to be developed (Address):	Lot 1 SP 67337 , 1 / 63 - 67 The Corso MANLY NSW 2095

Reasons for referral

This application seeks consent for one or more of the following:

- Food premises, or
- Backpackers/Boarding house, or
- Mortuary, or
- Skin penetration, accupuncture, tattoo, beauty salon, or
- Public pool

And as such, Council's Environmental Health and Protection officers are required to consider the likely impacts.

Officer comments General Comments

This application is seeking consent to alter the internal layout of the building. One of the retail units is to be a beauty salon. Appropriate conditions can be applied to ensure compliance with relevant fitout guidelines.

Environmental Health recommends approval.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.

Recommended Environmental Health and Protection Conditions:

CONDITIONS THAT MUST BE ADDRESSED PRIOR TO ANY COMMENCEMENT

Skin penetration fit out certification

Prior to the issuing of any interim / final occupation certificate, certification is to be provided from a suitably qualified professional that the design, construction and fit out of the skin penetration and beauty salon premises is compliant with the relevant and current guidelines including:

- Public Health Act 2010

- Public Health Regulation 2022
- Local Government (General) Regulations 2021
- Australian Standard: AS/NZS 4815:2006 Office-based health care facilities— Reprocessing of reusable medical and surgical instruments and equipment, and maintenance of the associated environment.

Reason: To ensure compliance with legislation and to protect public health and safety.

CONDITIONS WHICH MUST BE COMPLIED WITH PRIOR TO THE ISSUE OF THE OCCUPATION CERTIFICATE

Registration with regulatory authority

The skin penetration business must be registered with the Local Council prior to the Occupation Certificate being issued.

Reason: Legislative requirement.

ON-GOING CONDITIONS THAT MUST BE COMPLIED WITH AT ALL TIMES

Clinical Waste Contractor

All clinical waste produced by the premises is to be transported to and disposed of within an appropriately licensed waste facility through a contract with a suitably qualified waste contractor.

Reason: Responsible disposal management of clinical waste.

Deliveries and waste service collections

Deliveries and waste service collections shall only occur after 6am and prior to 10pm on any day.

Reason: Reason: To minimise the impacts of noise on neighbouring premises.

On-going operation of skin penetration premises

The ongoing operation of the skin penetration and beauty salon premises including all associated equipment must be maintained in accordance with the relevant and current guidelines including:

- Public Health Act 2010
- Public Health Regulation 2022
- Local Government (General) Regulations 2021
- Australian Standard: AS/NZS 4815:2006 Office-based health care facilities— Reprocessing of reusable medical and surgical instruments and equipment, and maintenance of the associated environment.

Reason: To ensure compliance with legislation and to protect public health and safety.

Sharps waste management

All commercial premises that require the use of sharps must provide adequate sharps waste disposal facilities. Such premises must be provided with sharps waste disposal containers on site that adequately contain all sharps waste produced and is compliant with AS 4031 – 1992 - Non-reusable containers for the collection of sharp medical items used in health care areas.

Reason: To ensure adequate provisions are made for the safe disposal, collection and transport of used sharp objects and to minimise to risk of infectious waste to public health.
