RE: DA2024/0375 - Abbott Road NORTH CURL CURL NSW 2099

I support the South Curl Curl cafe to be able to operate as a cafe to serve the local community in the area. It would be highly beneficial for both work and social purposes to be able to use the cafe space to its full potential. Many of us (myself included) use the cafe for work meetings as well as social gatherings and having the space operate as a cafe would be highly beneficial.
