**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

I am against the current DA's in Robertson Rd and believe that more thought and planning needs to be considered for these developments. I do not want to see Newport turned into a Dee Why with no open spaces and lots of apartments being constructed and would love to see more consideration for a community space and have Robertson Rd turned into a dining precinct with places to dine outside with our grandchildren and not be worried about traffic. We have already seen a tree be poisoned in this street to suit certain developments and I would be horrified to think what else they are prepared to do for the sake of the mighty \$,
