RE: DA2020/1453 - 4 Collaroy Street COLLARROY NSW 2097

As a resident of Collaroy, active member of Collaroy Surf Lifesaving Club and regular visitor to the Collaroy village shops, restaurants, Beach Club and Hotel, I firmly believe the proposed development will significantly enhance the local community. Unruly behaviour from the backpackers will reduce and the area will be safer. Collaroy needs developments like the one proposed.
