**RE: DA2024/0375 - Abbott Road NORTH CURL CURL NSW 2099**

As a local resident of Curl Curl I believe that the SCC Cafe is an important part of the community. I strongly support this DA to allow it to operate as a Cafe--not just a mini kiosk. As it is associated with the surf club this also provides food and drink earlier in the morning for the swimmers and public that use the beautiful pool and swim in the ocean. It should be supported to operate as a cafe to provide full meals to the community.
