**RE: DA2019/0278 - 1 / 1 Moore Road FRESHWATER NSW 2096**

Skywood climbing gym would be a great asset to the community and surrounding business. If you look at any of the gyms around sydney they bring in people from around the sydney area. The type of people who go to this gyms a respectful health conscious individuals who would spend money at the local eateries and bars. This is a win to attract people to freshwater village and for the small businesses surrounding.
