RE: DA2019/1234 - 0 Wharves And Jetties MANLY NSW 2095

I write to object on behalf of myself and my wife, Robyn of the same address to object to the outdoor expansion of the 2 rooftop restaurants at Manly Wharf. The noise from that area (especially in a NE breeze which prevails for the summer months) is annoying now, but expanding this by 430+ seats will make it likely intolerable. Please do the right thing by everyone concerned and decline the application.
Kind regards
