**RE: DA2024/1303 - 11 / 0 Melwood Avenue FORESTVILLE NSW 2087**

Forestville RSL is the centre of the community. It's a pivotal meeting spot for families. The open grass area gives so many families a safe opportunity to enjoy outdoor play and food. To take this away from the community would be very sad. There is no need for any retirement homes, there is already some in the area. I wholeheartedly object to the submission and do not believe it should be approved. Having apartments overlook children play field is also not appropriate.
